The Effects of Prayer

The prayer is like a river flowing past the door of one of you; he washes in it every day, so that thereby all dirt is removed.

The Messenger

Indeed the angel of death removes the devil from one who safeguards the prayer, and at that grievous time has him recite that there is no god but Allah, and that Muhammad is the messenger of Allah.

Imam Sadiq (as)

When the human is at prayer, indeed his body and clothes and everything about him glorifies (Allah).

Imam Ali (as)

“If the person at prayer knew the mercy that was enveloping him he would never raise his head from prostration”

Imam Ali (as)

The prayer is the house of sincerity.

Imam Baqir (as)

The prayer seeks the servants arrival at Allah's mercy

Imam Raza (as)

The prayers are obligatory

The first obligation that Allah laid upon my nation is the five prayers
The Messenger (as)

When you meet Allah with five obligatory prayers, you will not be asked beyond that
Imam Sadiq (as)

Be aware that the best of the obligations, after the recognition of Allah, the Grand and Glorious, are the five prayers
Imam Raza (as)

He who wishes to worship purifies himself for it; and when the recommended prayers obstruct the obligatory, leave them aside.
Imam Hasan (as)

The recommended prayers are only accepted after the obligatory prayers are accepted.
